

SM325-27W

Wheeled Mini Loader

Perfect for all terrains

The SM375-27W is the ideal platform for worksites, owner-operators and DIY'ers. The Wacker Neuson all-wheel drive SM375-27W made by Dingo Australia is perfect for all terrains, moves the weight down to the track where you need it. The lower center of gravity provides the traction you need and more pull and push power when digging. With the optional narrow wheel and hub set you can quickly change your set up to narrow access whenever you need.

Highlights

- 2 pump hydraulic system
- Flow Divider
- All wheel drive system
- Wacker Neuson 5 years / 5,000 warranty
- Low centre of gravity
